PROFESSIONAL SUMMARY

Highly skilled and passionate Full-Stack and Mobile Application Developer with a strong coding foundation developed from the age of 11. Hands-on experience designing, developing, and successfully deploying live utility applications and interactive games on the Google Play Store, along with managing open-source repositories on GitHub. Proficient in core programming algorithms, UI/UX optimization, Firebase cloud databases, and backend services. Proven track record of self-driven innovation and handling independent technical projects during schooling.

TECHNICAL SKILLS

Programming Languages C Language, JavaScript, Core Programming Algorithms, Logical Architecture	Application Development & Infrastructure Full-Stack Web Engineering, Android & iOS Mobile App Architecture, Firebase Cloud Services
Specialized Competencies Game UI/UX Mechanics, Interactive Design Patterns, Advanced AI App Logic, Version Control (Git/GitHub)	Platforms & Frameworks Google Play Console Management, Source Code Management, Repository Lifecycles, Digital Strategy

LIVE PROJECTS & PORTFOLIO

Open-Source Code Repositories — GitHub

2021 - Present

Independent Code Architect

- Maintained source code repositories showcasing foundational algorithm design, scripting, and modular application components.
- Utilized Git/GitHub workflow patterns for code tracking, optimization, and structural management of software architecture.

Independent App & Game Creator

- Independently conceptualized, engineered, and published diverse mobile applications on the Google Play Store.
- Crafted user-centric **UI/UX interfaces** and implemented secure real-time data flow with Firebase backend infrastructures.
- Gained end-to-end expertise in Google Play Console lifecycle management, target optimization, and continuous application updates.

CERTIFICATIONS & MILESTONES

WhiteHat Jr - Certified Full Stack Developer (2021)

Credentialed in Core Programming, Design Thinking, Advanced Game Architecture, and AI Application Development.

WhiteHat Jr Silicon Valley Challenge Winner

Recognized among the 'Top Independent App Developers' globally for exceptional engineering outcomes in app innovation.

- **18 Under 18 Program - Code of Honour (2021):** Honored as one of the top independent young creators and critical thinkers.
- **AI For India 2.0 (2023):** National-level artificial intelligence credential offered by GUVI through Skill India Digital.
- **Google Fundamentals of Digital Marketing (2022):** Accredited by Google Digital Unlocked and Endorsed by IAB Europe & The Open University.
- **BYJU'S Coding Cup:** Awarded the Elite 'GOLD' Coding Level in a high-caliber technical challenge.
- **C Language Certification:** Successfully certified in fundamental software architecture and syntax by LearnVern.

EDUCATION

Senior School Certificate Examination (Class 12th) — CBSE Board

2026

Krishna Career Convent School, Rasuliya, Narmadapuram (M.P.)

Status: Qualified (PASS) | **Core Subjects:** Physics, Chemistry, Mathematics, English Core, Hindi Core, Physical Education.

Secondary School Examination (Class 10th) — CBSE Board

2024

Krishna Career Convent School, Rasuliya, Narmadapuram (M.P.)

Status: Qualified (PASS) | **Academic Distinction:** Secured **82% Marks** in Information Technology.

PERSONAL DETAILS

Father's Name: Laxman Gour

Date of Birth: 01/07/2009

Category: OBC-NCL (Central List)
